The above awards only represent the rating standard of issued organizations. Some information contained herein (including opinion and forecast) is based on sources we believed to be accurate and reliable as at the date it is made. Any person acting upon it does so entirely at his or her own risk without liability on our part. This is not an offer to buy or sell or a solicitation or incitement of offer to buy or sell securities, if any, referred to herein. This material is published for information only and does not constitute investment advice or recommendation. No account has been taken of any person's investment objectives, financial situation or particular needs when preparing this document. If you wish to make an investment, you should seek independent advice from a financial advisor before investing, without which you should consider whether the product is suitable. Value of units/shares in a fund and income accruing thereto, if any, may fall or rise. Past performance of the fund manager(s) and the fund is not indicative of future performance. Investment involves risks, in particular, risks associated with investment in emerging and less developed markets. For further fund details including the risk factors, please refer to the offering document. Investors should read the fund prospectus, available from the local representative or any of its appointed distributors, before investing. This material has not been reviewed by the Securities and Futures Commission in Hong Kong and the Monetary Authority of Singapore, and any fund referred to herein is not approved by relevant regulatory authorities in mainland China. This material is published for information only, and where used in mainland China, only as supporting materials to the offshore investment products offered by commercial banks under the Qualified Domestic Institutional Investors scheme pursuant to applicable rules and regulations.
