

Mirae Asset Global Investments Group ("Mirae Asset")

Mirae Asset Global Investments Group ("Mirae Asset") is the asset management arm of Mirae Asset Financial Group, and one of Asia's largest independent financial services groups[^]. Mirae Asset revolutionized the retail investment industry in Korea by introducing the country's very first mutual fund in 1998 thus creating the market for asset management in Korea. Mirae Asset Global Investments (HK) serves as the international headquarters for the asset management business. Additionally, Mirae Asset has a presence in Brazil, Korea, India, China, Vietnam, the United Kingdom and the United States in addition to its HK office.

Mirae Asset is one of the world's largest investors in emerging market equities*, with over US\$52 billion (as of Nov 2010) of total assets under management. Mirae Asset sets its specialization in the emerging markets, with a unique focus on the Asia Pacific region. We have established offices around the world with a team of more than 170 investment professionals (as of 31 Oct 2010) allowing us to take timely and decisive action on developing investment opportunities in the emerging markets. As our continuing global expansion plans unfold, we anticipate bringing our innovative client service and dynamic culture to new clients in various jurisdictions.
